ASB/Crime/Criminal Damage

We have assisted the police with patrols in and around town centre, we have shared relevant information with partner agencies in order aid in the prevention and reduction of ASB related incidents within town centre. We have supported a number of residents with advice and guidance for those having difficulties with their neighbours and community around them. We continue to remind members of the public about Horsham's PSPO and ask individuals to refrain from drinking in the Causeway and Garden of Remembrance, as these are alcohol free zones.

Community engagement/events/meetings

We were invited for a second year to The Cootes Community Fayre, we provided a gazebo and information station and shared our space with Age UK. We asked our friends from West Sussex Fire and Rescue Services to also join us. This was a fantastic day, lots of community engagement and everyone had fun! We look forward to next year. We wish Steve Swain a fond farewell.

Older, Vulnerable People and Young People

We are working with AGE UK to promote Silver Bullet Café at The Coot, which opens this Thursday 6th July from 10am, please come along and say hello!

Amish from Budgens kindly donated a large quantity of items, which we collected and passed to Horsham Matters, we personally like to thank Amish for his continued support in the community.

We met a homeless person and continue to offer support and guidance.

Cycling

We have asked a number of cyclists to dismount on West Street, again we have raised this with WSCC Highways as the signage is unclear. Members of the public also share their concerns and worries. Comments, suggestions, compliments and complaints to West Sussex County Council using this link <https://www.westsussex.gov.uk/about-the-council/have-your-say/>

Patrols (foot and bike patrol)

Charlie and I have provided a significantly higher level of foot patrol in the outlying areas of Forest and Trafalgar as requested by Forest NC. We have met a large amount of dog walkers and members of the public enjoying the much-needed summer weather in our green spaces, some of whom we may not have seen in town. We continue to link up with local PCSOs and will continue to patrol town centre as needed. We once again urge residents to report all incidents to Sussex Police.

Case Study

Charlie and I were invited to Queen Elizabeth II school to meet the Globetrotters students and inform them of our community role and meet our friends from West Sussex Fire and Rescue Services. The young people enjoyed our talks, they asked some great questions and thoroughly enjoyed sitting in the fire engine. We wish them every success for their futures!
