ASB/Crime/Criminal Damage

We have made reports to Sussex Police and Immigration Services at Gatwick Airport regarding person(s) begging across town. We endeavour to check welfare of these individuals offer services and support where appropriate. Begging is a criminal offence and should be report to Sussex Police.

There has been a rise in shop lifting and have provided a joint uniformed presence with Sussex Police and urge the public to report all incidents to Sussex Police and to be vigilant.

We sadly discovered a fly-tipped TV at Leechpool Woods, this not only harms the environment it has a financial and visual impact on our community. This is a Criminal Offence, and offenders will be prosecuted.

Community engagement/events/meetings

Charlie and I joined Silver Bullet at The Coot for coffee and chat with like-minded people. This is a wonderful group for over 55 years, supported by Age UK and fantastic staff at The Coot. Conversations and discussions are held first Thursday of every month all welcome.

A new Horsham District Business Crime Reduction Partnership (BCRP) has been formed and is encouraging local businesses to sign up. Launching initially in Horsham Town Centre, membership will be opened-up across the whole of Horsham District by the end of 2023.

The BCRP will use DISC – a secure app for information-sharing and reporting business crime and anti-social behaviour – that is already used in over 550 towns and city centres nationwide. DISC can be used on mobile phones, includes instant messaging, and reports directly to the police. It enables businesses to upload information, incidents, CCTV images, and photos and acts as a platform to alert others to offenders and issues as well as swift direct crime reporting to the police.

Older, Vulnerable People and Young People

With our Team from Parking Services, the CEOs and ourselves provided a uniformed presence at the junior schools across town. We were able to talk to parents, drivers and young people about the impact of inconsiderate and dangerous parking.

Cycling

Charlie and I have provided a bicycle patrol across Neighbourhood Councils of Forest, Denne and Trafalgar. We met several dog walkers, residents and cyclists enjoying the weather. Say hello if you see us!
