		Reports to DVLA	0
		Reports to Operation Crackdown	0

Anti-Social Behaviour (ASB)

As Neighbourhood Wardens (NW) we have regularly patrolled with our PCSOs and continued to share information with them.

We have shared relevant information with partner agencies to aid in the prevention and reduction of Anti-Social Behaviour (ASB) related incidents within town centre. We have supported a few residents with advice and guidance for those having difficulties with their neighbours and community around them. We continue to encourage members of the public to report all incidents to Sussex Police's website: - <https://www.sussex.police.uk/ro/report/>

We continue to encourage the use of the DISC app which allows businesses to report any ASB or theft in their stores. They then also report to the police. This has been very successful in getting businesses to communicate with each other and creating Police reports.

Community engagement/events/meetings

We supported the Silver Bullet club, an AGE UK group with about 8-15 regular members, as their main volunteer was on holiday. It was lovely to support this group and make sure the monthly meeting could still go ahead.

We also attended the Horsham Hospital Fete. This was a wonderful event with plenty of opportunity for community engagement and signposting. It was great to see so many people out and enjoying the sun.

We joined our colleagues at AGE UK for a Dementia Day at the United Reform Church. This gave us an opportunity to stay updated on the services and support available to our residents and to meet some of our residents with a dementia diagnosis and their carers, partners, and support network.

Horsham District Council hosted an Electric Vehicle event at Parkside to educate on electric vehicles. It was a privilege to lend our Electric Bikes to go on display for the day and they sat front stage.

Older, vulnerable people and young people

AGE UK continue to provide activities and support for our older populations. Please see April's activities and join in!! <https://www.ageuk.org.uk/westsussexbrightonhove/about-us/contact-us/>

We encourage members of the public to support local charities such as Horsham Matters <https://www.horsham-matters.org.uk/> and Turning Tides <https://www.turning-tides.org.uk/> should they wish to donate to support anyone they believe to be homeless.

Cycling

As the weather has improved, we have seen an increase in bikes and continue to remind members of the public to dismount on West Street.

Members of the public should share their concerns and worries. Comments, suggestions, compliments and complaints to West Sussex County Council using this link <https://www.westsussex.gov.uk/about-the-council/have-your-say/>
