

# Mobility Scooter Safety

We can help you be safer on your scooter

We have already shown over 100 scooter and powered chair drivers to recognise and safely deal with hazards

A **FREE** 90-minute Safety Session in Horsham district will show **YOU** how to reduce the chances of an accident

Our friendly, trained 'Scooter Tutors' can meet you at your home to accompany and advise you while you drive on nearby pavements

If you are thinking about getting a scooter, you can try ours — **FREE**
