

An evening with Gatwick Area Conservation Campaign (GACC)

GACC is a long-standing voluntary community association based around Gatwick and has been active for half a century!

You are invited to ask your questions on the latest news about Gatwick Airport

**WEDNESDAY 8th OCTOBER 7pm-7:30
TRAFALGAR RD BAPTIST CHURCH**

- What expansion is now proposed at Gatwick?
- How might 'development' and 'modernisation' impact us in Horsham?
- What is GACC proposing?
- Would you like GACC to raise any issues on your behalf?
- What legal actions might be needed?
- Q&A

BACKGROUND

The airport, owned by Vinci Airports, has failed to demonstrate that the project would have net employment or economic benefits.

The government's own climate change advisers have made clear that there is no case for additional airport capacity in the UK

The talk is offered via Horsham Trafalgar Neighbourhood Council. Our normal monthly meeting will follow at 7:40-9pm.
