

Sustainable Energy at Home

“Everything you wanted to know about creating an energy efficient home, but did not know who to ask”

Monday 27th October, 7-9pm
The Rock, East St, Horsham, RH12 1HL

An evening of two parts;
starting with short talks about Horsham District Council's new
“Energy Saving Plan Builder” & “A Retrofit Journey”, and then
the opportunity for informal discussions with the above, and local
homeowners who are using the technologies

Speakers on the day;
Neil Sephton (Horsham DC) Amy Isted (Sustain Change)
AND local homeowners

Free event organised by Transition Horsham Energy Group – Book via Eventbrite at
